Dear Sir/Ma'am,

Please allow this letter to introduce you to Operation Ward 57 and our 7th annual Rock and Rally for the Troops for which we are seeking your support. This fundraising event is a motorcycle rally, silent auction and outdoor music festival featuring several local and national bands. Last year we proudly raised in excess of \$20,000 for our nations wounded Heroes! We plan on exceeding that goal this year with your help. The event is estimated to have up to 1000 in attendance.

The mission of Operation Ward 57 is to support wounded, ill or injured post 9/11 warriors, their families and by providing items that assist in recovery, maintenance and morale of the hospital environment and through advocacy, education and promotion of their circumstances. We being to support them the moment they are on American soil for as long as they need us.

This is a great opportunity for your company to receive exposure and help to support a worthy cause! Let our returning service members and Veterans know, their sacrifices have not gone unnoticed and will never be forgotten.

Please find the attached details of the sponsorship and participation opportunities for the 7th annual Rock and Rally for the Troops which we be held on September 9, 2017 at Cheney Stadium Main Lot in Tacoma, WA. Your involvement will make this event a special way to give back to our nations Heroes who sacrifice so much for each and every one of us. Please note, in-kind donations are also accepted and appreciated for the silent auction.

All the funds raised will go directly to Operation Ward 57, a 501(C)3 non-profit organization, and its programs such as the supplying adapted (for amputees) and non-adapted T-Shirts and jerseys for patients, family members, and staff delivered weekly to patient rooms by volunteers, small financial grants, assistance with service animals, restocking the dvd, video and game library, supplying new toys, art supplies and furniture for the children's play area and supporting numerous holiday cheer programs allowing morale and spirit boosting events and gifts for patients and staff.
